Work experience

Berlin • 11.2021 - 12.2022

Warehouse Supervisor @ Gorillas

Raised the warehouse into one of the best in the company as part of the team of Supervisors.

A position in a unique working environment, communicating with people of multiple nationalities, cultures, and languages in a strenuous, fast-paced company.

Berlin • 12.2020 - 11.2021

Inventory Associate @ Gorillas

Established a new warehouse with operational procedures and oversaw movement and maintenance of stock within the warehouse as part of the inventory team.

Cape Town • 03.2018 - 01.2020

Architectural Technologist @ Craft of Architecture

Completed the Hilton Hotel Umhlanga Arch project as the interiors lead technician. Coordinated on site progression with contractors, and project managers in finding solutions and producing achievable deadlines.

Cape Town • 08.2008 - 09.2020

Freelance Architectural Technologist

Produced documentation for independent & sub-contract projects within the architectural field, ranging from full concept design, implementation and construction to council submissions and 3-dimensional presentations of urban design projects.

Cape Town • 04.2017 - 03.2018

Senior Designer @ FVE Interiors

Led a team of three designers to develop full technical specifications and scope of works for projects in retail, food, & corporate sectors after a quick promotion to senior designer from mid-level.

Cape Town • 12.2011 - 01.2016

Branch Manager @ Wordsworth Books

Completed the renovation of the store and helped to re-establish it in the local community months within being made manager after three years.

About

An experienced, independent thinker and analyst. who enjoys untangling puzzles, thrives on problems that require shifts in perspective and in finding solutions that account for the parameters of each problem.

A strong passion to learn powered by an analytical nature and need to acquire skills to aid understanding of the environment.

Well spoken and read in English and an honest and friendly personality often appreciated by friends and colleagues and lending to productive and cohesive team work. The rise in position within multiple fields of work is evidence to these abilities.
